Dear Mr. Casey:

The enclosed copy of a bill which has been referred to the Committee on Governmental Affairs is sent for your review and comment. Your views concerning the provisions of this bill and recommendations for possible Committee action would assist us in our study of the measure.

In addition, Senate rules require each Committee to estimate the regulatory and paperwork impact of any legislation it reports. To assist the Committee in complying with this requirement, we would appreciate receiving your Agency's assessment of the possible paperwork and regulatory burdens which might result from the passage of the enclosed legislation.

We would greatly appreciate your providing us with your response within the next 30 days so that we might have it in time for Committee action.

Please address all correspondence to the attention of Greta Graham, Committee on Governmental Affairs (224-4751).

Thank you for your participation in this effort.

Sincerely,

*Bill Roth*
